FOREWORD OF THE DIRECTOR GENERAL OF KAPS

Kosovo Academy of Public Safety is the institution responsible for providing trainings and the higher education, the implementation of policies and strategies of the training, higher education and capacity development in the field of public safety.

The Academy for a long time provides and conducts continuous professional training for law enforcement employees in Public Safety Institutions such as:

- ➢ Kosovo Police;
- Kosovo Correctional Service;
- Kosovo Probation Service;
- Kosovo Customs;
- Emergency Management Agency;
- Police Inspectorate of Kosovo;

as well as other institutions by developing trainings in the field of public safety including cooperation with international partners ICITAP and OSCE.

The Training Plan is a joint result of the Kosovo Academy for Public Safety along with Public Security Institutions and International Partners (OSCE and ICITAP).

The Training Plan is published on the website of the Academy and presents one of the most important documents of the Kosovo Academy for Public Safety, and arouses interest to the Academies in the region and Europe.

The feature of this plan published by the Kosovo Academy for Public Safety consists in the fact that it presents the training plan for Public Safety Institutions and International Partners.

Kastriot Jashari Acting Director General of KAPS

Page 4 of 50 TRAINING PLAN FOR 2024

INTRODUCTION

"Training and joint work is inspiring"

Kosovo Academy for Public Safety is an institution established by Law no. 04 / L-053 on the Kosovo Academy for Public Safety, responsible for providing training and higher education, implementing policies and training strategies, higher education and capacity building in the field of public safety.

Kosovo Academy for Public Safety provides training and higher education for all Public Safety Institutions, but not limited to: Kosovo Police, Kosovo Customs, Police Inspectorate of Kosovo, Emergency Management Agency, Kosovo Correctional Service and Kosovo Probation Service.

Kosovo Academy for Public Safety pledges to provide professional high quality during trainings in institutional management, and distribution of resources to all public safety agencies, it is also responsible for ensuring professional standards for the education of all members of Public Safety Institutions.

Kosovo Academy for Public Safety has a unique history and in order to clarify it in depth, we have divided into two discrete categories:

> Institutional development and educational development.

The first category, institutional development includes the history of the Kosovo Academy for Public Safety which went through three stages: before 1999, from 1999 to 2006, and from 2006 onwards.

Finally, in 2008 Kosovo Academy for Public Safety became an executive agency under the Ministry of Internal Affairs, an education and training center for Kosovo Public Safety Institutions.

Capacity building and development through trainings and vocational courses, as well as strengthening cooperation with ICITAP, OSCE and other international institutions, is intended to

Page 5 of 50 TRAINING PLAN FOR 2024

further professional advancement, and therefore they will be the priorities of Kosovo Academy for Public Safety during the following years.

Kosovo Academy for Public Safety aims to create security through the field of education and cooperation with similar institutions in the region and beyond, to exchange experiences and develop a network of regional and international cooperation.

NATIONAL AND INTERNATIONAL ACCREDITATION

National accreditation

The National Qualifications Authority in accordance with the legislation in force has reaccredited The Kosovo Academy for Public Safety as an accredited institution for Training, Professional Education for the period of three years respectively from the date 27.07.2021 until 23.07.2024 with these qualifications:

- Inspector of the Police Inspectorate of Kosovo;
- ➢ Firefighters;
- Customs Officer;
- Correctional Officer;
- Police Officer;
- Probation Officer;

International accreditation

The Kosovo Academy for Public Safety (KAPS) has been re-accredited by the International Association of Directors of Law Enforcement Standards and Training (IADLEST) of the United States of America (US) in the institutional field with the highest award ever offered by this association, the Prize of Excellence, valid until 20.10.2024, ranks the KAPS second in the world after the USA, which is simultaneously the primary indicator of the fulfillment of KAPS's mission as a Center of Excellence in the region and beyond.

Page 7 of 50 TRAINING PLAN FOR 2024

GOAL

The goal of this training plan is planning, organization and implementation of training needs analysis for Public Safety Agencies in field of progress and promotion of its officers through various trainings.

The training plan is a unique document of the inclusion of all the planned trainings on annual basis, through which is reached an overview on the fields of training, duration of training, target groups and areas of training development.

Training plan is a document of Kosovo Academy for Public Safety, which is designed in cooperation with Public Safety Institutions and International Partners, and at the same time fulfills the needs addressed for participation in the training prescribed and planned based on the interests of respective public safety agencies.

Training plan presents coordination and cooperation between Kosovo Academy for Public Safety, Public Safety Institutions and International Partners in the field of training, through which increases the efficiency and effectiveness of public safety officials in the everyday implementation of official duties.

Development of trainings of Public Safety Institutions in a single institution, such as the Kosovo Academy for Public Safety, moreover will result in the proper and rational coordination of support services offered by Kosovo Academy for Public Safety for Public Safety Institutions.

KOSOVO POLICE

1. TRAININGS BY KOSOVO POLICE

Trainings by Kosovo Police constitute a group of trainings that provide basic, advanced and specialized knowledge in different fields of the performance of a police officer with a wide range of trainings from general to the specialized fields of investigation.
